

ON WINE HILL

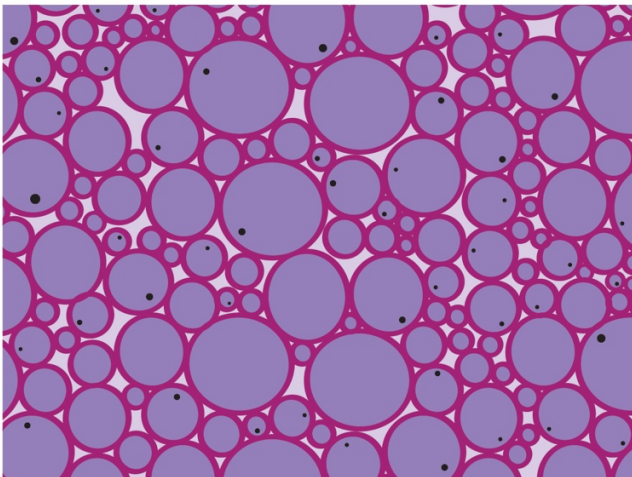

'MILLERANDAGE'

PINOT NOIR (CLONE 943)

**Redacted Vineyard, Tualatin Hills AVA
Willamette Valley, Oregon, U.S.A**

QUICK SUMMARY:

Grown in the hills above Forest Grove, our 'Millerandage' Pinot Noir is exclusively made with the elusive clone 943. It is said that this was the preferred clone of Professor Raymond Bernard. The clone has only been available to growers in the USA since 2004. This is most certainly not your typical Pinot Noir! This clone suffers from natural millerandage (aka hens & chicks). These tiny-berried clusters offer extremely dark colors and a flavor profile that is more boysenberry, iron, and pomegranate. Our grapes are grown in deep loess soils and dry farmed. The wine was destemmed and fermented using only native yeast, and was bottled unfiltered (vegan) and unfiltered.

ALL THE DETAILS I COULD THINK OF:

Vintage:	2021
Grapes:	Pinot Noir (clone 943)
Vineyard:	Redacted
Vine Age:	8 years
Farming:	Low Intervention
Dry Farmed:	Yes
Roots:	Own Rooted
Soil Type:	Laurelwood (loess)
Elevation:	365 ft (111m)
Harvest Date:	September 25th, 2021
Harvest Method:	Hand Harvested
Brix @ Harvest:	25.2
Skin Contact:	13 days
Chaptalization:	None
Fermentation:	Native/Indigenous
Vessel:	320L Hogsheads
Elevage:	10 months
Alcohol (by vol):	13.33 %
M/L:	Yes, Full, Native
Sulfur (so2):	30 mg/L
Finished (ph):	3.49
Total Acidity:	6.3 g/L
Fining:	None (Vegan)
Filtration:	None
Bottle Size:	750 ml & 1.5 L
Closure Type:	Agglomerated (10yr)
Bottled Dated:	July 28th, 2022
Production:	95 cases:
Release Date:	February 1st, 2023

This wine was bottled in USA made glass, with a cork from Portugal and a label that was designed and printed in the USA. Please recycle this bottle after you have finished enjoying it.

Our corks are 99.99% free of TCA
